Let’s find your band size.

1  Print this page at 100%. Do not scale to fit. (To make sure you printed at 100%, place a credit or ID card in the box below. If it’s an exact fit, you’re good to go.)

2  Cut and wrap the tool around your wrist, snug but not too tight.

3  Note the number between the arrows — that’s your band size.
