**Missouri**

Sales tax holiday period is August 5–7, 2022.

To qualify for the tax exemption, the purchase must be made during the sales tax holiday period by an individual for personal use. The exemption is per item purchased, and local taxes may apply. Computers and related accessories with a sales price of $1500 or less qualify for this holiday. Software with a sales price of $350 or less also qualifies for the holiday.

Visit the Missouri Department of Revenue website for complete terms and conditions: dor.mo.gov/business/sales/taxholiday/school/
